Regardless of Symptoms or Vaccination Status

- Stay home for the next five days regardless of symptoms or vaccination status.
- Stay away from other people as much as possible (including those in your own household).
- If you can't stay away from other people, wear a three-layer (or better) mask.

Do you have a fever or other symptoms that haven’t started to get better on day six?

YES
- Stay home until your fever is gone and other symptoms are better.
- Wear a mask for the next five days.

NO
- Resume activities with a mask.
- Wear a mask for the next five days.

If you are having symptoms of COVID-19 and waiting for your test results, stay home until you get your results.
