

# COVID - 19 | Key Indicators

Last Updated: 07-28-20

All dates are based when an indicator is reported and will not match data in other COVID-19 dashboards provided by the Ohio Department of Health. All other dashboards are based on onset date, date of hospitalization, or date of death.

Note: Totals include Confirmed and CDC Expanded Case Definition (Probable)

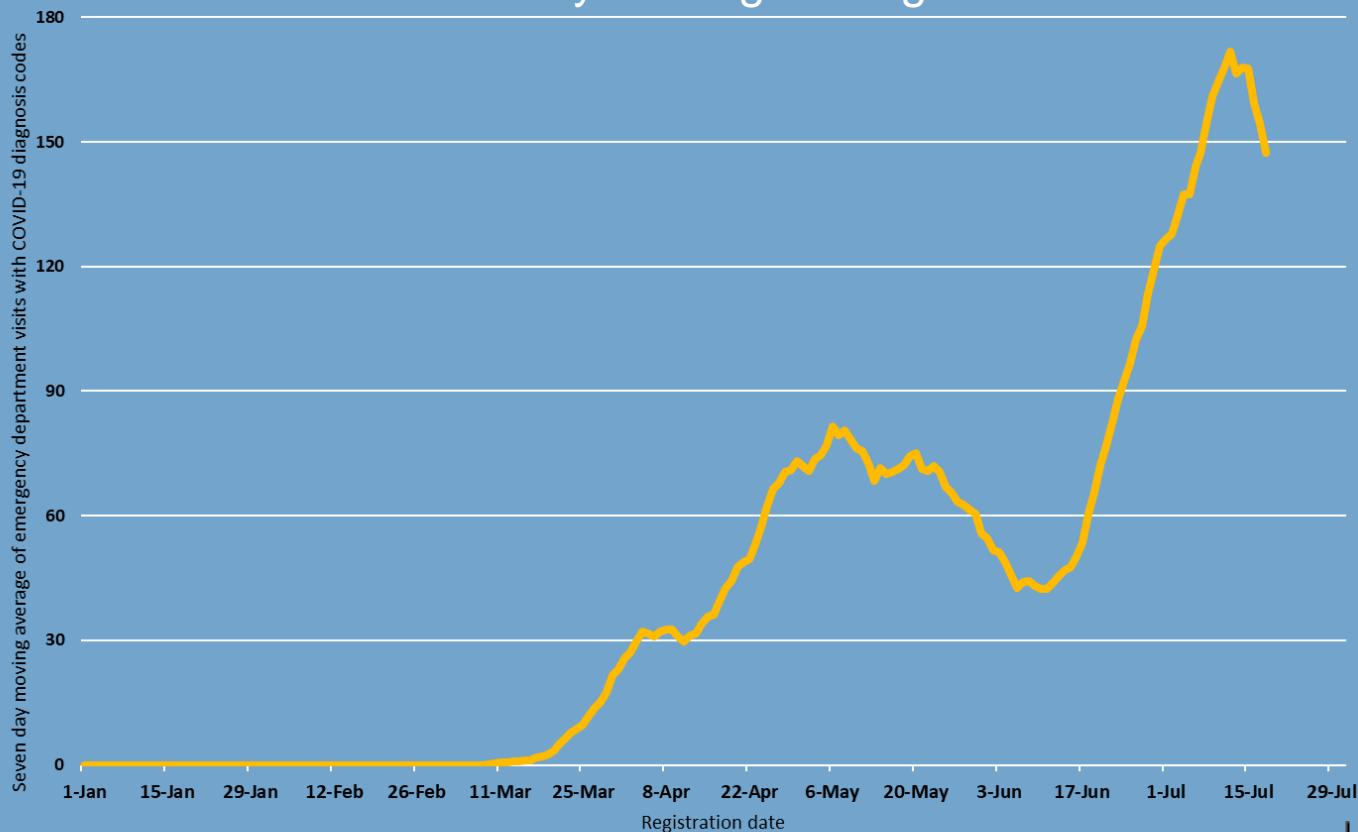

Department of Health

# Current Confirmed COVID - 19 Patient Count in Ohio Hospitals by Day \*

\*Reported to the Ohio Department of Health by the Ohio Hospital Association

# Emergency Department Visits with COVID-19 Diagnosis Codes, Seven-Day Moving Average
