# All 88 Ohio Counties Ranked by Highest Occurrence

## COVID-19 Cases

The 14-day period used for this table covers data from Dec. 6 to Dec. 19. The data were pulled on Dec. 20 and exclude incarcerated individuals. Shaded counties meet the Centers for Disease Control and Prevention definition of "high incidence" of COVID-19.

## WE NEED YOUR HELP

Here's how you can help save lives:

### STAY SAFE OHIO PROTOCOL

#### 1. STAY AT HOME.

- Home is the safest place. Only leave home for household essentials, medical care, work, and school.
- If possible, use drive-thru, curbside pick-up, or delivery services to limit face-to-face contact with others or shop online.

#### 2. Wear your mask.

- Wear a mask whenever you are around *anyone* you don't live with.

#### 3. Keep interactions short and stay apart.

- The more people you interact with and the longer amount of time you spend together, the higher your risk of becoming infected or spreading the virus to others.

#### 4. Wash your hands.

- Clean hands are a key to preventing the spread of COVID-19.

#### 5. Work from home.

- Everyone who can work from home should work from home. All meetings should be virtual.

#### 6. Celebrate safe. Celebrate small.

- As people gather for the holidays, remember that older family members and those with medical conditions are especially vulnerable to COVID-19, so take extra measures to protect them.

#### 7. Don't eat or drink with anyone outside of your household.

- Eating and drinking with others is risky because you can't wear a mask while eating and drinking.
- Limiting meals to those within your own household is safest. Home delivery, curbside pick-up, drive-thru windows, and take-out services are the best options when getting meals out.

#### 8. Limit travel.

- This is a holiday to stay close to home. Remember that spread happens only when you are in contact with others.

#### 9. Keep weddings and funerals safe.

- Conduct weddings and funerals in a COVID-safe way.

#### 10. Enjoy safe holiday activities!

- Stay connected with friends and family who don't live in your home by calling, using video chat, or through social media.
- Choose drive-thru holiday light shows and virtual celebrations over in-person holiday activities.
