

COVID-19 Vaccine Pharmacy Partnership for Long-term Care Program

The Pharmacy Partnership for Long-term Care (LTC) Program is facilitating the on-site administration of COVID-19 vaccines to residents and staff of long-term care facilities who choose to receive them. In Ohio, the pharmacy chains administering the vaccines are Absolute Pharmacy, CVS, PharmScript, and Walgreens. As the program scales up in Ohio and nationwide, the following facilities will be the first to participate in this historic opportunity.
