

COVID-19 Vaccine Fact Sheet

Ohio Phase 1D COVID-19 Vaccine Distribution

Governor Mike DeWine has announced the individuals who are included in Phase 1D of Ohio's vaccination plan, which will go into effect on March 11, 2021. Phase 1D includes approximately 197,000 eligible Ohioans with certain medical conditions not addressed in previous phases.

Phase 1D

Vaccinations for Phase 1D will begin on Thursday, March 11, 2021. This phase includes:

- Individuals who have specified medical conditions that may increase their risk of severe illness and death from COVID-19. The new qualifying conditions are not already covered through Ohio's age-based approach to vaccine eligibility.
- Eligible individuals can receive a vaccine from the provider of their choice. Individuals may be asked to confirm during the registration or screening process that they are eligible to receive the vaccine based on a qualifying medical condition.

MEDICAL CONDITIONS

- People with type 2 diabetes under the age of 50.
 - This opens eligibility to approximately **172,000 Ohioans**.
- People with end-stage renal disease (also known as end-stage kidney disease) under the age of 50.
 - This opens eligibility to approximately **25,000 Ohioans**.

Manufacturer specific vaccine eligibility requirements

Vaccine recipients must be age 16 or older to be eligible for the Pfizer vaccine, and age 18 or older to be eligible for the Moderna and Johnson & Johnson (Janssen) vaccines.

How to find vaccine providers, schedule appointments

Ohioans can find providers participating in Ohio's Vaccine Program the following ways:

- **Vaccine Management Solution (VMS)** – This one-stop solution for patients beginning the vaccination process will allow Ohioans to determine eligibility, schedule appointments, submit health information, and receive updates and reminders. Visit gettheshot.coronavirus.ohio.gov. Find frequently asked questions, facts and training materials on the [Get the Shot page](#) at coronavirus.ohio.gov.
- The **COVID-19 Vaccine Provider Locations** directory at vaccine.coronavirus.ohio.gov is a resource that shows providers who have received shipments of COVID-19 vaccines. The COVID-19 Vaccine Provider Locations directory is searchable by county and ZIP code.
- In addition, vaccine supply is also available through the [Federal Retail Pharmacy Program for COVID-19 Vaccination](#). Eligible Ohioans who want to find a participating pharmacy should visit the Centers for Disease Control and Prevention's [VaccineFinder](#). This is a free, online service.

Created March 8, 2021.
