COVID-19 Vaccine Fact Sheet
Ohio Phase 2C COVID-19 Vaccine Distribution

Governor Mike DeWine has announced the individuals who are included in Phase 2C of Ohio's vaccination plan, which will begin on Friday, March 19, 2021. Phase 2C will expand eligibility to include Ohioans ages 40 and older.

**Phase 2C**

Vaccinations for Phase 2C will begin on Friday, March 19. Because the risk of more severe illness and outcomes of COVID-19 increases with age, Phase 2C will extend age-based eligibility to individuals age 40 and older. This group includes approximately 818,000 Ohioans between ages 40-49. Eligible individuals can receive a vaccine from the provider of their choice.

**AGE ELIGIBILITY**

Individuals age 40 and older.

*Individuals age 50 and older previously eligible under Phase 1B, Phase 2A or Phase 2B who have not yet received the vaccine remain eligible under Phase 2C.*

**How to find vaccine providers, schedule appointments**

Ohioans can find providers participating in Ohio's Vaccine Program the following ways:

- The COVID-19 Vaccine Provider Locations directory at [vaccine.coronavirus.ohio.gov](https://vaccine.coronavirus.ohio.gov) is a resource that shows providers who have received shipments of COVID-19 vaccines. The COVID-19 Vaccine Provider Locations directory is searchable by county and ZIP code.

- In addition, vaccine supply is also available through the [Federal Retail Pharmacy Program for COVID-19 Vaccination](https://vaccinefinder.cdc.gov). Eligible Ohioans who want to find a participating pharmacy should visit the Centers for Disease Control and Prevention's [VaccineFinder](https://vaccinefinder.cdc.gov). This is a free, online service.

*Created March 16, 2021.*
