RE: Recall Announcement (ODA/ODH) 2019-087

**Richwell Group, Inc. Recalls Siluriformes Products Produced Without Benefit of Import Inspection**

**WASHINGTON, May 28, 2019** – Richwell Group, Inc., doing business as Maxfield Seafood, a City of Industry, Calif. firm and the importer of record, is recalling approximately 154,560 pounds of Siluriformes fish products that were not presented for import re-inspection into the United States, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. Additionally, the products were produced at a Vietnamese establishment that was not eligible to export Siluriformes fish to the United States.

The frozen Siluriformes items, specifically Yellow Walking Fish, were imported from Vietnam to the United States on various dates from March 2018 through January 2019. The products have a shelf life of two years. The following products are subject to recall: [[View labels](#) (PDF only)]

- Varying weights of packages containing 2 pieces of "FARM RAISED INDIVIDUALLY QUICK FROZEN" "FROZEN HEADLESS YELLOW WALKING FISH Clarias macrocephalics".
- Varying weights of packages containing 3 pieces of "FARM RAISED INDIVIDUALLY QUICK FROZEN" "FROZEN HEADLESS YELLOW WALKING FISH Clarias macrocephalics".
- Varying weights of packages containing 2 pieces of "FARM RAISED INDIVIDUALLY QUICK FROZEN" "FROZEN YELLOW WALKING FISH Clarias macrocephalics".
- Varying weights of packages containing 3 pieces of "FARM RAISED INDIVIDUALLY QUICK FROZEN" "FROZEN YELLOW WALKING FISH Clarias macrocephalics".

These items were shipped to retail locations nationwide.

The problem was discovered on May 22, 2019, during routine FSIS surveillance activities of imported products.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about a reaction should contact a healthcare provider.

FSIS is concerned that some product may be in consumers' freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers and members of the media with questions about the recall can contact Jae Hwang, Maxfield Seafood Operations Manager, at [jhawng@maxfieldseafood.com](mailto:jhawng@maxfieldseafood.com).

## RETAIL CONSIGNEES FOR FSIS RECALL 060-2019

FSIS has reason to believe that the [following retail location\(s\)](https://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2019/recall-060-2019-release) received Siluriformes fish products that have been recalled by Richwell Group, Inc., doing business as Maxfield Seafood, a City of Industry, Calif. firm and the importer of record. This list may not include all retail locations that have received the recalled product or may include retail locations that did not actually receive the recalled product. Therefore, it is important that you use the product-specific identification information, available at <https://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2019/recall-060-2019-release> in addition to this list of retail stores, to check meat or poultry products in your possession to see if they have been recalled.
