

COVID-19 Information for At-Home Learning Educational Opportunities for Kids in Grades 4-6

With K-12 schools currently closed, parents and guardians may be looking for ways to help enhance their children's learning during this time at home. The following resources* provide learning opportunities for kids in the grades 4-6 age range:

- [All Kids Network](#) – Activities and printables, such as coloring pages, mazes, worksheets and more.
- [Art for Kids Hub](#) – Art lessons for kids of all ages.
- [Author and Illustrator Debbie Ridpath Ohi](#) – Art supplies from your fridge? Watch a video to find out more.
- [Author Jarrett Lerner](#) – Fill in the blanks on these comic books to create your own story.
- [Ben's Guide to the U.S. Government](#) – Learn all about the U.S. government.
- [Chrome Music Lab](#) – Play music right from your computer.
- [Duolingo](#) – Learn a foreign language at home.
- [Great Lakes Science Center](#) – Daily videos with challenges that support STEM learning.
- [Have Fun Teaching Relief Packs](#) – Downloadable worksheets, activities, videos and more for students in preK-grade 5.
- [InfOhio](#) – A digital library of resources for Ohio's preK-12 students.
- [Innovating the Future Virtual Field Trip](#) – Boeing and Discovery Education's behind-the-scenes tour of Johnson Space Center in Houston, Texas.
- [Khan Academy](#) – Instructional videos and exercises for students of all ages in a variety of subjects.
- [Let's Keep Reading](#) – Check out this list of authors, illustrators, artists, and others who are providing

For more information, visit: coronavirus.ohio.gov

activities for kids during ordered school closures.

- [Mystery Science](#) – Free science lessons for students in grades 1-5.
- [NASA Kids' Club](#) – Games and information about NASA and its missions that support STEM (science, technology, engineering, and mathematics) learning.
- [National Geographic Kids](#) – Explore the world! Learn about amazing animals, the United States, Native Americans, outer space and more.
- [NeoK12](#) – Educational games and videos.
- [New American History](#) – History lessons for grades 4-12
- [Ohio Digital Library](#) – Check out and download e-books. Read aloud to each other, read silently, or take turns reading to each other.
- [Ohio History Connection](#) – Learn about Ohio's rich history from the Ohio History Connection.
- [Ohio's Learning Standards](#) – These learning standards explain the knowledge and skills Ohio's students in prekindergarten through grade 12 need to know and be able to do.
- [PBS Learning Media](#) – Videos and activities for a variety of academic subjects.
- [Scholastic Learn at Home](#) – Stories, videos, and learning activities.
- [Statistics in Schools \(SIS\) program](#) – Learn about the importance of the 2020 Census with activities and videos provided by the U.S. Census Bureau.
- [Super Teacher Worksheets](#) – Free worksheets for kids on a variety of subjects.
- [TEDEd](#) – Educational and entertaining videos on a variety of topics, including the arts, health, science, social studies, technology and more.
- [Worksheet Fun](#) – Free printables for math.
- [YouTube Learning](#) – Educational videos for students of all ages.
