May Flower International Inc. of 5672 49th Place, Maspeth, NY, is recalling its 4.4 ounce packages of "3+2 Soda Crackers" because they may contain undeclared milk allergens. Consumers who are allergic to milk allergens may run the risk of serious or life threatening allergic reactions if they consume this product.

The recalled "3+2 Soda Crackers" were distributed nationwide in retail stores. The product comes in a 4.4 oz, yellow plastic package and is un-coded.

No illnesses or allergic reactions involving this product have been reported to date.

The recall was initiated after routine sampling by New York State Department of Agriculture and Markets Food Inspectors and subsequent analysis by Food Laboratory personnel revealed the presence of undeclared milk allergens in the 4.4 oz packages of "3+2 Soda Crackers" which did not declare a milk ingredient on the label.

Consumers who have purchased 4.4 oz packages of "3+2 Soda Crackers" are urged to return them to the place of purchase for a full refund. Consumers with questions may contact the company at 1-718-366-8668.
