RE: Recall Announcement (ODA/ODH) 2018-046

**Recall of Certain Lots of Izzy's Maple Nut Ice Cream Due to Undeclared Peanuts**

Izzy's Ice Cream, LLC is voluntarily recalling limited numbers of its Maple Nut Ice Cream pints following a supplier's recall of walnuts due to the possible presence of undeclared peanut residue. People who have an allergy or severe sensitivity to peanuts run the risk of serious or life-threatening allergic reaction if they consume these products

**Product Information**

The products were produced on January 29th, 2018, February 6th, 2018, February 12th, 2018, February 19th, 2018 and February 27th, 2018 and can be identified by the following codes on the bottom of the pint:

18012729 18020312  
18024706 18028819  
18025206 18020327  
18028806

Only Maple Nut Ice Cream products with these codes are affected. All other Izzy's Ice Cream products are safe to eat.

**Action Request**

- Please immediately examine any Izzy's Maple Nut Ice Cream you have to determine if you have any recalled product.

No illnesses have been reported to date in connection with this problem. The recall was initiated after receiving notification from our nut supplier, Midwest Northern Nut, that nuts used in Maple Nut Ice Cream may have possible cross-contact with a peanut allergen.

For questions or information regarding this recall, please contact the following individuals: Izzy's Owner Jeff Sommers (651-341-7709) or Izzy's General Manager Shannon Leach (612-554-5196, [shannon@izzysicecream.com](mailto:shannon@izzysicecream.com)).

Thank you for your help in maintaining our commitment to consumer safety. This recall is being made with the knowledge of the Food and Drug Administration.
