No complaints of illness or reactions have been reported to date in connection with this problem.

The recall was initiated after the potential for allergen cross-contact was identified during an inspection by the Minnesota Department of Agriculture. The issue was caused by a breakdown in the company's production scheduling processes. FDA is aware of this recall.

Production of roasted products has been suspended until the Minnesota Department of Agriculture and the company are certain that the problem has been corrected.

Consumers who have purchased the indicated products are urged to contact the company at 1-800-328-5502.
