RE: Recall Announcement (ODA/ODH) 2019-036

Bellisio Foods Recalls Boneless Pork Rib Frozen Entrée Products Due to Possible Foreign Matter Contamination

3/5/2019 Update: Recall information updated to include list of retail locations known to have received the recalled products in Ohio and surrounding states. The full list of retail locations can be viewed at https://www.fsis.usda.gov/wps/wcm/connect/6973d0a7-d809-470f-830d-4d19f1c90472/RC-020-2019-retail-list.pdf?MOD=AJPERES&CONVERT_TO=url&CACHEID=6973d0a7-d809-470f-830d-4d19f1c90472.

WASHINGTON, Feb. 23, 2019 – Bellisio Foods, a Jackson, Ohio establishment, is recalling approximately 173,376 pounds of frozen pork entrée products that may be contaminated with extraneous materials, specifically pieces of glass or hard plastic, the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today.

The frozen, not ready-to-eat (NRTE) boneless pork rib patties were produced on various dates from Dec. 7, 2018 to Feb. 15, 2019. The following products are subject to recall: [[View Labels](#) (PDF only)]

- 14-oz. black cardboard box packages containing “BOSTON MARKET Home Style Meals BONELESS PORK RIB SHAPED PATTY WITH BBQ SAUCE & MASHED POTATOES” with “BEST BY:” dates of 12/07/2019 lot code 8341, 01/04/2020 lot code 9004, 01/24/2020 lot code 9024, or 02/15/2020 lot code 9046, represented on the label.

The products subject to recall bear establishment number “EST. 18297” on the end carton flap of the package. These items were shipped to a Department of Defense facility in Tucson, Ariz. and retail locations nationwide.

The problem was discovered when the establishment received consumer complaints of glass or hard plastic extraneous material in the rib shaped patty. FSIS was notified on Feb. 22, 2019.

There have been no confirmed reports of adverse reactions or injuries due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

FSIS is concerned that some product may be frozen and in consumers’ freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at www.fsis.usda.gov/recalls.

Consumers with questions about the recall can contact Krista Cummings, Consumer Affairs Supervisor, Bellisio Foods at (855) 871-9977. Members of the media with questions about the recall can contact Tom Lindell, Public Relations, at (612) 305-6419.

RETAIL CONSIGNEES FOR FSIS RECALL 020-2019

FSIS has reason to believe that the [following retail location\(s\)](https://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2019/recall-020-2019-release) received frozen pork entrée products that have been recalled by Bellisio Foods. This list may not include all retail locations that have received the recalled product or may include retail locations that did not actually receive the recalled product. Therefore, it is important that you use the product-specific identification information, available at <https://www.fsis.usda.gov/wps/portal/fsis/topics/recalls-and-public-health-alerts/recall-case-archive/archive/2019/recall-020-2019-release>, in addition to this list of retail stores, to check meat or poultry products in your possession to see if they have been recalled.
