

## **2020 Ohio Department of Health Regional Health and Safety Training for Early Childhood Providers**

The Ohio Department of Health's Early Childhood Health Program is pleased to announce the annual spring regional conference dates. Early Childhood Program staff are invited to attend a half-day health and safety conference at one of the regional locations. There will be two presentations, including Oral Health and Health Equity in the ECE Community.

To register, go to OCCRRRA.org and click on "Find Trainings." You can search for "2020 Early Childhood Health Regional Conference" or search by the ST numbers listed below. Upon registration, you will receive an email with conference information, including payment and agenda.
