

Oral Care Basics for Caregivers

The Bureau of Oral Health Services, Ohio Department of Health is pleased to offer ***Oral Care Basics for Caregivers***, a 21 minute instructional video or DVD and booklet for direct care providers in the group home, nursing home, or home care setting.

Oral Care Basics for Caregivers video consists of three segments:

- I. Personal Oral Hygiene – including toothbrushing and denture care
- II. How to provide care to others – toothbrushing supplies, infection control, positioning, toothbrush storage
- III. Problems a caregiver may encounter-resistive individuals, bedridden or tube-fed

The booklet provides objectives, quizzes for each segment and more detail on the topics of mouthcare, sensory defensiveness, toothbrush modifications and denture identification.

To obtain a copy of the video and booklet, please provide the information below.
