RE: Recall Announcement (ODA/ODH) 2019-088

**J Deluca Fish Company Inc. Recalls Siluriformes Products Produced Without Benefit of Import Inspection**

**WASHINGTON, May 29, 2019** – J Deluca Fish Company Inc., doing business as Nautilus Seafood, a Wilmington, Calif. firm and the importer of record, is recalling approximately 69,590 pounds of Siluriformes fish products that were not presented for import re-inspection into the United States, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. Additionally, the products were produced at a Vietnamese establishment that was not eligible to export Siluriformes fish to the United States.

The frozen Siluriformes items, specifically Yellow Walking Fish, were imported from Vietnam to the United States on various dates from August 2018 to January 2019. The following products are subject to recall: [[View labels](#) (PDF only)]

- Varying weights of packages containing 2 pieces of "HEADLESS-CLEANED YELLOW WALKING FISH" "Clarias Macrocephalus" "CA TRE VANG LAM SACH – CAT DAU" "FARM RAISED".
- Varying weights of packages containing 2 pieces of "WHOLE YELLOW WALKING FISH" "Clarias Macrocephalus" "CA TRE VANG NGUYEN CON" "FARM RAISED".

These items were shipped to distributors and retail locations nationwide.

The problem was discovered on May 22, 2019, during routine FSIS surveillance activities of imported products.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about a reaction should contact a healthcare provider.

FSIS is concerned that some product may be in consumers' freezers. Consumers who have purchased these products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers and members of the media with questions about the recall can contact Wayne Berman, Manager, J Deluca Fish Company Inc., at (310) 901-4596.
