

## **HEALTHY OHIO BUSINESS COUNCIL HONORS EMPLOYERS FOR HEALTHY PRACTICES**

The Healthy Ohio Business Council (HOBC) recognized 88 Ohio employers for healthy worksite practices during the 13th annual *Healthy Worksite Awards* ceremony.

These awards recognize Ohio employers who demonstrate a commitment to employee wellness through comprehensive worksite health promotion and wellness programs. Applicants were scored on the extent their wellness programs facilitate and encourage employee health, enhance productivity and ensure a healthy work environment.

All worksites, large and small, public and private, for profit and nonprofit, were eligible to apply for the *Healthy Worksite Award*. All applications were reviewed and evaluated using objective criteria. Three levels of achievement were awarded — Gold, Silver and Bronze. Other applicants, who meet basic criteria, received a Recognition award.
