

Approved Environment Inc.

Approved Online STS Contractor Continuing Education Trainings

Information about available courses, including registration cost for each course can be found at: <https://www.approvedce.com>.

The following online distance courses provided by Approved Environment Inc. have been approved for the indicated number of continuing education hours for sewage treatment system contractors, including installers, service providers, and septage haulers:

Approval No.	Course Title	Approved CE Hours	Approval No.	Course Title	Approved CE Hours
ODHAE001	Advanced Mathematics	1.0	ODHAE020	Solids Dewatering	1.0
ODHAE002	Aerobic and Anaerobic Sludge Digestion	1.0	ODHAE021	Solids Handling Alternatives	1.0
ODHAE003	Ammonia, pH, and Chlorine	1.0	ODHAE022	Trickling Filters and RBCs	1.0
ODHAE004	Basic Mathematics	1.0	ODHAE023	Understanding Wastewater Mathematics	1.0
ODHAE005	Disinfection by Chlorine	1.0	ODHAE024	Waste Disposal Management	1.0
ODHAE006	Final Effluent I	1.0	ODHAE025	Wastewater Preliminary Treatment	1.0
ODHAE007	Laboratory Terms, Equipment, and Sampling	1.0	ODHAE026	Operation & Control of a Wastewater Treatment Plant	1.0
ODHAE008	Maintenance II/Pumps	1.0	ODHAE027	Activated Sludge I	1.0
ODHAE009	The Microlife	1.0	ODHAE028	Activated Sludge II	1.0
ODHAE010	Multiple Choice Questions	1.0	ODHAE029	Biological Nitrogen Removal	1.0
ODHAE011	Odor Control	1.0	ODHAE030	Wastewater Mathematics Practice Problems	1.0
ODHAE012	Oxidation Ditches	1.0	ODHAE031	BOD, DO and COD	1.0
ODHAE013	Package Plants	1.0	ODHAE032	Clarifiers Optimization	1.0
ODHAE014	Parasites and Pathogens	1.0	ODHAE033	Final Effluent II	1.0
ODHAE015	Primary Treatment	1.0	ODHAE034	Laboratory Procedures For Plant Control	1.0
ODHAE016	Safety	1.0	ODHAE035	Settleability & Loss of Solids	1.0
ODHAE017	Septic Systems and Their Maintenance	1.0	ODHAE036	Sludge Stabilization Versus Sludge Conditioning	1.0
ODHAE018	Sequencing Batch Reactors (SBRs)	1.0	ODHAE037	UV Disinfection	1.0
ODHAE019	Sludge Stabilization Versus Sludge Conditioning	1.0	ODHAE038	Biochemical Oxygen Demand Concept & Treatment	1.0
