

**FOR IMMEDIATE RELEASE**

**ODA ISSUES PUBLIC HEALTH ALERT FOR FLEXFROST, LLC PROTEIN ICE CREAM**

Reynoldsburg, OH (Jan. 11, 2018) -- The Ohio Department of Agriculture (ODA) is issuing a public health alert for an undetermined amount of protein ice cream produced by Flexfrost, LLC. Flexfrost products were produced in a commercial kitchen located at 1400 Dublin Rd., Columbus, Ohio 43215. Consumers should be aware that these frozen desserts were produced illegally without a license and outside of proper food safety protocols for such products. There have been no reports of illness involving products addressed in this alert.

The product carries a Flexfrost, LLC label and is packaged in 4 ounce containers. Photos of the product are attached. Products subject to this alert were distributed to the following Ohio schools:

Big Walnut Schools: Big Walnut High School  
Gahanna Jefferson Schools: Lincoln High School  
Mason Schools: Mason High School  
Olentangy Schools: Liberty High School  
Pickerington Schools: Lakeview Junior High, Pickerington Central High School, Pickerington North High School, Ridgeview Junior High  
Reynoldsburg Schools: Baldwin Junior High, Summit High School, Waggoner Road Junior High, Waggoner Road Middle School  
The Ohio State University: OSU Wrestling  
Westerville Schools: Westerville Central High School, Westerville South High School, Westerville North High School  
Worthington Schools: Thomas Worthington High School, Worthington Kilbourne High School

While ODA has obtained multiple invoices, there may be additional Flexfrost customers who received this product who have not yet been identified. ODA was notified of a potential issue by the commercial kitchen where Flexfrost prepares its frozen desserts. The commercial kitchen is fully cooperating with ODA's investigation.

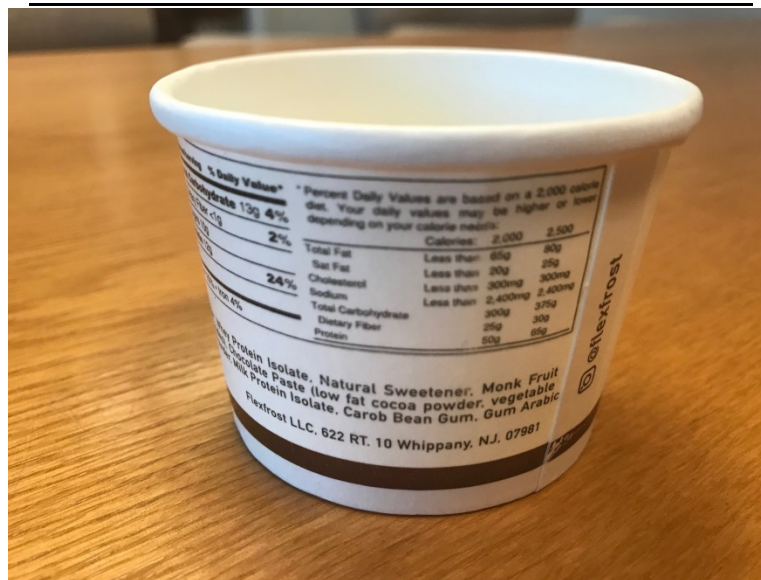

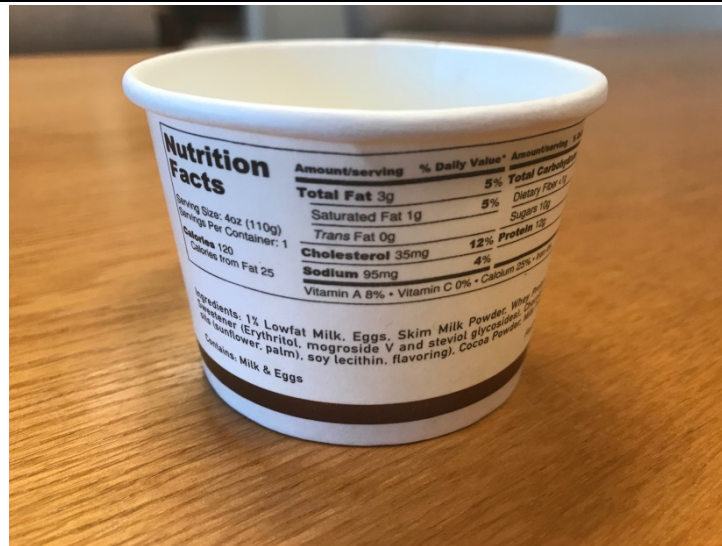

ODA is encouraging anyone who is in possession of any items subject to this alert to discard them. There have been no reports of illness involving products addressed in this alert. However, individuals exhibiting signs or symptoms of foodborne illness are encouraged to contact a physician immediately. Consumers with questions about food safety can contact the ODA's Dairy Division at (614) 466-5550 or the Division of Food Safety at (614) 728-6250.
